### General Information

The Missouri Department of Elementary and Secondary Education, Division of Vocational and Adult Education includes photographs and identifying information of secondary, postsecondary and adult students on its website. The photographs and information are focused on career and adult students in action, student success stories and student award/recognition activities. The photographs and information are located on the DESE Website (<http://www.dese.state.mo.us>). Examples include:

- Students building a house, rebuilding a car, repairing a computer, etc.
- Students employed on the job, enrolled in postsecondary education, etc.
- Students receiving awards and recognition for national, state and local skill and/or academic competitions, etc.

The information provided may include first name, last name, age, grade level, program enrollment, school name (including sending school if appropriate), city location of school, description of activity depicted and employer name where applicable.

In order for the photograph(s) and corresponding information to be displayed on the website parent permission is needed for all students under the age of 18 and individual permission for those age 18 and older.
